Different parts of the Clinical School could be better connected

We have:  
Set up networks for specific staff groups

We have:  
Expanded the content and reach of the School Newsletter

We now have:  
A postdoc centre for meetings, events and collaborative working, and a refurbished Clinical School cafe

We now have:  
A network of over 100 Equality Champions in all departments who help cascade information

We have also:  
Installed video conferencing facilities and free teleconferencing

And we:  
Ensured induction packs are regularly updated to include new information about the School and University

Thank you

...to all who took part in the 2015 staff survey - we have listened to your comments and put into action changes to help make the Clinical School a great place to do great work.
