## Advanced Business Administration Apprenticeship

### What did you do prior to your apprenticeship?

I studied an A Level in Geography, Applied Level 3 Diploma in Media and Business at Long Road Sixth Form College.

### What are you enjoying about the apprenticeship?

I enjoy getting the professional experience, working with a team, and being able to help the institute and the people within and around it.

### What would you say to anyone considering applying for an apprenticeship?

If you prefer to learn in a more hands-on way where you get to actually experience what you're learning about then an apprenticeship would be the perfect path for you.

### What attracted you to this apprenticeship?

With the help of my college I realised I wanted to follow a career path in business and originally looked into Cambridge University Press and they pointed me towards this opportunity.
