

University Equality and Diversity Networks

The Diversity Networks for staff currently include the Women's Staff Network (WSN) and the LGBT+ Staff Network, both of which welcome staff working for the University, a College or an associated institution.

Women's Staff Network

The University's Women's Staff Network (WSN) seeks to provide a programme of events that both support and engage women across the University. For more information about the WSN please visit the webpage here:

LGBT+ Staff Network

The University's LGBT+ Network welcomes all individuals who identify as Lesbian, Gay, Bisexual and/or Transgender (LGBT+) (the "+" sign is an umbrella term to represent minority gender identities and sexual orientations not included explicitly in the term LGBT).

The LGBT+ Network seeks to provide support and advice to LGBT+ staff at the University and to act as a forum for consultation between staff and the University's governing body. The network also organises a range of networking and social events.

For more information about the LGBT+ Network please visit the webpage
